

The Ravi Shankar Legacy Scholarships

On behalf of Mr. Ravi Shankar, the late founder of Zenith International School, we would like to express our heartfelt gratitude to all the parents who have entrusted their children's education to us for over a decade. The pioneer parents have seen their children grow from young children to young adults ready to take on any challenges that they will face in the future. Our founder's dream was to see Zenithians being part of the global community of nations, changing people's lives for the better and always striving for excellence in the world of Academia & Sports.

Zenith International School, the first international school in Seremban, has been dedicated to fostering a global community, transforming lives, and striving for excellence in both academics and sports. We are committed to continuing this progress, under the new ownership as well as the new academic team to ensure that our students receive the best possible international education.

As part of the management initiatives in 2023, the Academic & Sports Scholarships were introduced. These scholarships will continue to be awarded from hereon every Academic Year. However, there has been some changes in the Terms & Conditions with new deadlines being added to ensure that all applications are submitted on time. This will allow the School to properly allocate provisions for the Scholarships.

We hope the Ravi Shankar Legacy Scholarships (Sports & Academic) will bring joy to eligible & deserving students and their families. These scholarships represent our sincere appreciation for the dedication of deserving scholars, outstanding athletes and the unwavering support of our parents.

Together, we will continue to enhance the lives of the children at Zenith International School.

Thank you.

ZENITH INTERNATIONAL SCHOOL

Yours sincerely

TINESHWAR A/L RAVI SHANKAR.
