SPORTS SCHOLARSHIP PROPOSAL

The School recently announced, as part of its new Academic Year orientation & the Parents/Management Seconds Townhall, details of the ZIS Sports Scholarship.

On behalf of my late father, the founder of Zenith International School, Mr Ravi Shankar, I would like to thank all the parents who have trusted their children's education to us at Zenith International School, the first International School in Seremban, for over a decade now.

The pioneer parents have seen their children grow from young children to young adults ready to take on any challenges that they will face in the future. My father's dream was to see Zenithians being part of the global community of nations, changing people's lives for the better and always striving for excellence that includes the world of sports.

I hope that all parents have seen improvements in recent weeks since the School has reopened for the new Academic Year 2023/2024. There will be more improvements to come. The School has also rolled out multiple new policies, automated system, new subjects structure and progress to ensure students who are enrolled at Zenith International School receive the best possible international school syllabus education in the world.

So in light of all the improvements and expansion, I would like to offer all current (and eligible) students/parents this ZIS Sports Scholarship Programme. (Please see details below).

I hope the ZIS Sports Scholarship Programme will bring a smile to the eligible students/parents as it's our sincere appreciation to deserving athletes out there, to the parents who have been on this journey with us and will allow us to continue to improve the lives of the children in Zenith International School.

Thank you

Yours sincerely

TINESHWAR A/L RAVI SHANKAR
