Dear Zenith Community,

As we bring Term 3 to a close and reflect on the accomplishments of the 2024/2025 academic year, I am filled with pride and optimism. Our school continues to grow—not only in student achievements but also in the strength of our community. June has been a month filled with celebration, collaboration, and meaningful progress. Here are some highlights worth sharing.

On 14 June 2025, our incredible Year 11 graduates took the spotlight during our Graduation Night celebration. From confident speeches and cultural performances to the proud scroll presentation, every moment reflected their growth, perseverance, and spirit. To the Class of 2024/2025 – your journey is just beginning, and we will always be cheering you on.

Reaching New Families – Zenith at Prima Mall Roadshow

From 31 May to 1 June, our Zenith team came together at Prima Mall, Seremban, to connect with the wider community and introduce future families to the Zenith way. The event was a wonderful success, filled with enthusiasm and support from both current students and new parents. We're proud to say – Zenith is the school of the future.

Zenith is Evolving – Facility Upgrades Underway

As we continuously strive to enhance the student experience, we're excited to share that school facility upgrades are underway. Over the holiday break, we will be repainting classrooms and installing new table tops to create a more vibrant, functional, and student-friendly learning environment. These improvements reflect our commitment to providing the best possible space for our students to learn, grow, and thrive. We will also refurbish the students' lockers. Key structural enhancements included PU injection for minor reinforcement and upgraded toilet ceilings across six units—along with the conversion of two janitor rooms into functional toilets and full chemical washing for a refreshed, cleaner look and the worker quarters will be relocated for improved campus looks.

As we head into the term break, I thank our teachers, students, and parents for your continued dedication and trust. We look forward to welcoming everyone back in August 2025, refreshed and ready for another inspiring year ahead.

Warm regards,
Dr. Inderjeet Singh Sidhu

From playful learning activities to meaningful milestones, our little ones have grown in confidence, creativity, and curiosity. Here are some highlights from a truly memorable June.

Learning Shapes with Popsicles

Our young learners had an exciting hands-on session building shapes using colourful popsicle sticks! As they explored triangles, squares, and more, they developed their fine motor skills and began understanding mathematical concepts through play. It was heartwarming to see their creativity shine as they connected learning with fun.

Our Preschool Graduation Ceremony 2024/2025 was a truly special and emotional celebration. Our little graduates stole the spotlight with their heartwarming performances, proudly singing, dancing, and beaming with joy on stage. It was a proud moment for all of us—to see how far they've come, how much they've learned, and how ready they are for their next chapter.

A heartfelt thank you to our amazing parents for your trust, encouragement, and unwavering support. Your presence and cheers made the graduation day even more meaningful for all of us.
