# A MESSAGE FROM OUR OWNERS & MANAGING DIRECTORS

**MR. TINESHWAR RAVI SHANKAR**

Dear Parents, Students, and Members of the Zenith Community,

Firstly, I would like to express my heartfelt gratitude to all parents for your continuous support over the years. We are truly thankful that you have entrusted your children's education and future into our care, and we deeply value the strong partnership we share with you. We are also deeply appreciative of our dedicated teachers and staff, who work tirelessly with passion and commitment to nurture and guide our students every day

## CONTINUOUS IMPROVEMENT IN ACADEMIC EXCELLENCE

At Zenith International School, we remain committed to continuous improvement in all aspects of our teaching and learning environment. Over the past year, we have further strengthened our academic programmes, enhanced our classroom experience, and introduced more engaging and student-centred learning approaches to better support every child's growth.

## HOLISTIC DEVELOPMENT AND STUDENT WELL-BEING

We also remain dedicated to nurturing not only academic excellence but also character development. Our focus continues to be on creating a safe, caring, and supportive environment where every student feels valued, encouraged, and inspired to reach their fullest potential.

## LOOKING AHEAD WITH COMMITMENT

Moving forward, we will continue to listen, improve, and evolve to ensure that we provide the very best for our students—because their success and well-being will always be at the heart of everything we do. We remain fully committed to maintaining open communication with parents and we sincerely welcome your feedback, suggestions, and constructive input, as it plays an important role in helping us grow and improve as a school community.

Warm regards,

Tineshwar Ravi Shankar

Co-Owner & Co-Managing Director  
Zenith International School, Seremban

# A MESSAGE FROM OUR OWNERS & MANAGING DIRECTORS

**MR. KISHEN BAVISI**

Dear Parents, Students, and Members of the Zenith Community,

I hope this message finds you and your families well. This is my first letter to you as Co-Owner and Co-Managing Director, and I want to begin it simply and directly: your children's education is our highest priority. Everything else we do at Zenith supports that one commitment.

## ACADEMICS FIRST, ALWAYS

When you chose Zenith, you chose a school that promises strong academic outcomes, and I want you to know that promise means as much to me as it does to you. We are not here to simply maintain the standards we have. We are here to raise them. That means looking closely at every part of the academic experience, the quality of teaching in each classroom, how lessons are planned and delivered, how we assess student progress, and how quickly we act when a student needs more support.

We have already begun strengthening our internal review processes so that academic performance is tracked more carefully and responded to more quickly. From lesson delivery to assessments to the way we support students who need that extra push, every part of the academic journey is being looked at with fresh eyes and a clear standard. You will see the results of this in your children's learning, and that is where it matters most.

## CHINESE NEW YEAR, A CELEBRATION TO REMEMBER

Our Chinese New Year celebrations this year were nothing short of spectacular. The energy across the school was electric, from the lion dance performances that had the whole hall on their feet, to the stunning decorations, the cultural showcases, and the sheer excitement on our students' faces. It was one of the biggest celebrations we have ever hosted at Zenith, and the effort that went into it, from students, teachers, and parents alike, truly showed.

Moments like these are a reminder of something I feel very strongly about. Education is not only about exams and textbooks. It is about belonging. It is about learning to appreciate and celebrate the richness of the cultures around us. At Zenith, our diversity is one of our greatest strengths, and seeing the entire school come together in that spirit of joy and togetherness was a proud moment for all of us.

Confident, well-rounded students do their best work in an environment where they feel connected and valued. That is the kind of school we are building, one where academic rigour and a strong sense of community go hand in hand.

## THE ROAD AHEAD

What we are building at Zenith is long-term and deliberate. There will be no shortcuts and no quick fixes. Our direction is clear: deliver excellent academics, develop character, communicate openly, and continue to earn the trust of every family in this community. Some of these changes you will see quickly. Others will take time. But every step we take will be purposeful.

There is much more to come in the weeks and months ahead, and I look forward to sharing it with you as we move forward together. Our students deserve the very best, and that is exactly what we are working to build, every single day.

Thank you for your continued trust, your support, and your belief in what Zenith can be.

Warm regards,

Kishen Bavisi

Co-Owner & Co-Managing Director  
Zenith International School, Seremban

# MESSAGE FROM HEAD OF SECONDARY

## MR MUHAMMAD FITRI ABDUL MUTALLIB

Dear Zenith Community,

We are pleased to share some key highlights from recent school activities. Our students continue to demonstrate great enthusiasm and commitment both in academics and co-curricular events.

### SPORTS DAY 2026

Our annual Sports Day was held successfully on 6<sup>th</sup> February 2026 with active participation from all students. The event was filled with excitement, teamwork, and sportsmanship.

Students competed in various track and field events, showcasing their strength, endurance, and determination. The event also featured an exciting cheerleading competition, where each house displayed creativity, energy, and strong team spirit. The house spirit was truly commendable, with cheers and support seen throughout the day.

Congratulations to all participants and winners for their outstanding efforts. More importantly, we are proud of the positive attitude and teamwork displayed by everyone.

### TRIAL 2 EXAMINATION

The Trial 2 Examination has been conducted as part of our continuous effort to prepare students for their upcoming major assessments. This includes Year 6 students preparing for the Achievement Test, Year 9 students for the Checkpoint and IGCSE, and Year 11 students for the IGCSE.

This examination serves as an important platform for students to:

- Evaluate their academic progress
- Identify areas for improvement
- Build confidence ahead of final examinations

We encourage all students to review their performance carefully and seek guidance from teachers where necessary. Consistent effort and perseverance will lead to success.

### MESSAGE FROM OUR SECONDARY HEAD

We are proud to see our students actively participating in both academic and co-curricular activities. Sports Day highlighted teamwork and resilience, while the Trial 2 Examination reflects our commitment to academic excellence.

Let us continue to support and guide our students towards holistic development.

Warm regards,  
Head of Secondary

# MESSAGE FROM HEAD OF PRIMARY

MS NOOR LEILAH

Dear Zenith Community,

The month of February was filled with meaning learning experiences and joyful celebrations for our Primary students, reflecting both cultural appreciation and character development through our HCGE Programme.

## CHINESE NEW YEAR CELEBRATION 2026

On Friday, 27 February 2026, Zenith International School celebrated Chinese New Year in a vibrant and festive atmosphere that brought together students, parents, and families as one community. The evening began with a lively Chinese New Year Market and Cultural Experience, featuring interactive booths, games, craft activities, and festive food stalls enjoyed by families of all ages. Special highlights included the traditional Yee Sang tossing, an energetic Lion Dance performance, the fascinating Bian Lian face-changing show, and beautiful cultural performances by our students.

The celebration continued with a Chinese New Year dinner held in the School Hall, where families gathered at tables they had generously sponsored and purchased to celebrate the festive season together. We would like to extend our sincere appreciation to all parents and families for their wonderful support and participation, which made the event truly meaningful and successful.

## HEALTHY COMMUNICATION IN A FAMILY

Year 3 students, Harraz (Edison) and Jassmine (Newton), shared meaningful insights on maintaining healthy communication at home. They reminded their peers that speaking kindly, listening carefully, and expressing feelings respectfully help families stay peaceful, loving, and connected.

## RIGHT CLASSROOM BEHAVIOUR

Rohaam Shive (Year 4 Newton) confidently presented on right classroom behaviour. He emphasised the importance of paying attention, following rules, cooperating with classmates, and showing respect to create a positive and effective learning environment.

## IMPARTIALITY AND FRIENDSHIP

Year 5 Newton students, Jazlyn Rafaela and Nikasini, spoke about fairness in friendships. They encouraged students to listen to both sides, treat everyone equally, and practise kindness and honesty to build strong and lasting friendships.

## WHAT IS NATURE AND THE ENVIRONMENT

Lee Cheng Hao (Year 1 Edison) shared a wonderful presentation explaining that nature includes plants, animals, air, water, and everything around us. He encouraged everyone to care for the Earth by keeping the environment clean and protecting living things.

## CONSERVATION AND PRESERVATION OF FORESTS

Year 2 students, Saminesh (Newton) and Saiyraa (Edison), highlighted the importance of protecting forests. They reminded their friends that forests provide clean air, homes for animals, and a healthy environment, encouraging everyone to reduce waste and care for nature.

We are proud of our Primary students for their confidence, leadership, and commitment to building strong character values through every learning opportunity.

Warm regards,  
Ms. Noor Leilah  
Head of Primary  
Zenith International School

# Zenith International School

# Where Excellence Begins

## Written by our Student

---

Ten years ago, in 2016, I began my journey at Zenith International School as a first-grade student. I am proud to say that my admiration for the school has only grown stronger over the years. Zenith International School has consistently exceeded my expectations, providing an enriching and inspiring environment for its students.

The facilities are thoughtfully designed to enhance the overall student experience. One standout feature is the school library, which boasts a beautifully designed interior and excellent accessibility. It is a space that encourages both learning and reflection, making it a favourite among students.

What I value most is the school's remarkable balance between freedom and discipline. This approach nurtures creativity while instilling a strong sense of responsibility. Such a balance fosters intrinsic motivation, which is essential in the development of young learners.

The wide range of extracurricular activities is another highlight of Zenith International School. With so many diverse options available, students are encouraged to explore their interests and talents. The variety is so impressive that choosing just one activity each year can be quite a challenge.

Equally noteworthy is the school canteen, which provides nutritious and thoughtfully prepared meals. The quality is evident not only in the appealing presentation but also in the taste. The canteen also serves as a welcoming space where students can connect, build friendships, and enjoy their time together.

While Zenith International School may appear to be a typical K-11 institution at first glance, it stands out as one of the pioneering international schools in Seremban offering the British National Curriculum for both Primary and Secondary education. This curriculum provides a strong foundation for students preparing for the IGCSE examinations.

In conclusion, Zenith International School is truly exceptional. Its dedicated teachers and compassionate staff complete the outstanding learning experience it offers. Given the choice, I would choose Zenith International School again without hesitation.

**Year 10 Newton  
Fareena Vishalee**

# Home Away From Home

## Written by our Student

A school is not just a building, it is the place you will find students when they are not out-and-about. It is the place students will be rather than their own homes. Though many would prefer to remain away from school, others bask in the comforts that our school offers.

Three years ago, I began my journey at Zenith International School, and have never looked back once. I have formed many friendships and learnt many valuable lessons, useful in both education and life, during my time at the school. The teachers have shown a tremendous amount of care for students, being both an educator and a role model for many.

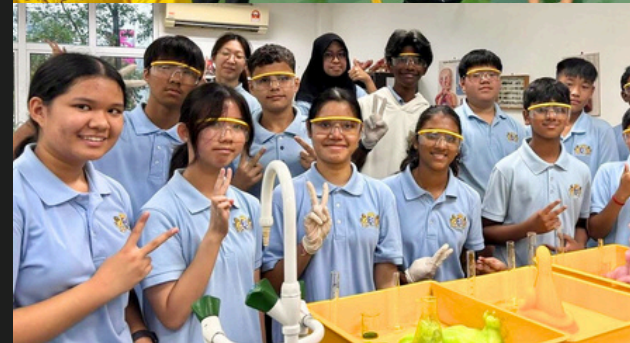

Here at Zenith, being able to socialize and carry yourself with confidence is as important as the education we receive. Despite housing excellent facilities, such as the basketball court or science lab, they are only able to be brought to life by the presence of the spirited students. Although boisterous at times, you will never form better friendships with anyone than the students here at Zenith. It is safe to say that the school is the top choice for all who seek comfort and friendship with their education.

The school's balance between maintaining order and being easygoing is the most admirable quality you will find here. Students are given the freedom to explore their interests through the many programmes provided while enforcing a sense of discipline through the various schoolwork assigned by educators.

In conclusion, Zenith International School is the place to be. With multiple achievements in the education field and the support of the people here, it would be exceptionally hard to find a better institution.
