LOOKING AHEAD & THANK YOU
TO OUR ZENITH COMMUNITY

As we prepare for a new academic year, we wanted to share some of the exciting developments that are taking place at Zenith.

Over the past few weeks, we have had the opportunity to work closely with Mr Mohan, and it has been refreshing to see his passion for education and his commitment to our students. Together, we have spent a great deal of time discussing how we can continue improving the learning experience at Zenith. From refining our timetable structure to creating a more student-centered approach through gamification and formative assessments, every decision has been made with our students' best interests at heart.

We are also excited to introduce ICDL certification into our timetable, giving our students the opportunity to develop internationally recognised digital skills as part of their school journey. What we appreciate most is that Mr Mohan is not someone who stays behind a desk. He spends time in classrooms, talks to students, and takes the time to understand them. We believe that is where real improvement begins. We both share the same belief that every decision we make should benefit our students and help them reach their fullest potential.

As we come to the end of another term, we would also like to say thank you. This year has tested us in many ways, but through every challenge, we stayed together. Looking back, we are incredibly proud of what we have achieved as one team. None of this would have been possible without the dedication of our teachers, the commitment of our non-academic staff, the enthusiasm of our students, and the trust and support of our parents. Every single one of you has played a part in Zenith's journey, and we are sincerely grateful.

To our outgoing Year 11 students and your families, thank you for allowing us to be part of this important chapter in your lives. Watching you grow into confident young adults has been one of the greatest rewards. We are proud of each and every one of you and wish you nothing but success in the years ahead.

As the holidays begin, we hope all of you enjoy a well-deserved break. Take this opportunity to rest, spend time with your loved ones, and come back refreshed and ready for another exciting term. We cannot wait to welcome everyone back in August as we continue building an even brighter future for Zenith together.

Thank you once again for believing in Zenith. We have achieved so much together, and we truly believe the best is still ahead of us.

Message from our Directors

MR TINESHWAR RAVI SHANKAR & MR KISHEN BAVISI

One of the defining moments of the past two months was our Annual Concert, a celebration of confidence, creativity, and the incredible potential within every Zenith student. Watching our students step onto the stage with such poise and passion was a powerful reminder that education is about far more than academic excellence. It is about nurturing individuals who have the courage to express themselves, the resilience to overcome challenges, and the confidence to pursue their dreams.

Behind every performance were months of commitment, perseverance, and teamwork from our students, teachers, and parents. The standing ovations and proud smiles we witnessed throughout the evening were a reflection of what can be achieved when an entire school community works together with a shared purpose.

At Zenith International School, we remain committed to providing opportunities that allow every child to discover their strengths, unlock their potential, and grow into confident, compassionate, and future-ready individuals. The Annual Concert was not simply an event; it was a celebration of character, growth, and the remarkable journey of every student.

Our Graduation Ceremony was another unforgettable milestone that beautifully captured the spirit of Zenith. Watching our graduates walk across the stage was both emotional and inspiring, as each student represented years of dedication, perseverance, and personal growth.

To our graduating students, congratulations on reaching this significant achievement. As you take your next steps, remember that success is not defined solely by results, but by the character you build, the values you uphold, and the impact you make on those around you. We are immensely proud of each and every one of you and have every confidence that you will continue to achieve great things in the years ahead.

To our parents and families, thank you for placing your trust in Zenith International School. Your encouragement, partnership, and belief in your children have been instrumental in their journey, and we are honoured to have shared this important chapter alongside you.

As one chapter closes, another begins. While our graduates leave with memories that will last a lifetime, they also carry with them the knowledge, values, resilience, and confidence to embrace every opportunity that lies ahead. They will always remain a part of the Zenith family, and we look forward to celebrating their future successes with pride.

Message from our Principal

MR MOHANARAJ BALAKRISHNAN

It has been just one month since I joined Zenith International School as Principal, and what an exciting and fulfilling first month it has been. Although I arrived just before the end of the academic term, I had the privilege of experiencing many important moments in our school community, including examination preparations, graduation ceremonies, Parent-Teacher Meetings, school roadshows, and our inaugural **Coffee with the Principal** session.

During this time, one of my key priorities was to gain a comprehensive understanding of our teaching and learning ecosystem. This involved observing lessons, meeting with staff, engaging with students, and, most importantly, listening to the voices of our parents, teachers, and students through various feedback sessions. My goal was to understand what we are doing well while identifying areas where we can continue to grow and improve.

I am pleased to share that I found Zenith International School to be a school with a dedicated and highly collaborative team. The professionalism and synergy among our staff have been truly impressive. I have also been fortunate to receive invaluable support from our Heads of Department and the unwavering encouragement of our Directors throughout this transition. Equally memorable has been the warm welcome extended by our students, whose friendliness, respect, and enthusiasm reflect the positive culture we are building together.

The insights gathered over the past month have culminated in several exciting initiatives that will be introduced in the upcoming term. Together with the school management, we have identified **Digital Literacy and Mental Health & Wellbeing** as two strategic priorities. These areas are increasingly essential in preparing our students not only for academic success but also for the challenges and opportunities of an ever-changing world.

In addition, we are delighted to introduce **Music Education across all year levels**, recognising its role in nurturing creativity, confidence, communication skills, collaboration, and self-expression. To support these initiatives, we are also investing in infrastructure enhancements and making strategic staffing adjustments to strengthen the learning experience for every student.

At Zenith International School, we believe that being a complete school means providing more than just academic excellence. We have both the opportunity and the responsibility to nurture the intellectual, emotional, social, creative, and physical development of every child. Our vision is to create an environment where every student feels valued, challenged, inspired, and equipped to thrive in the future.

As we begin the new term, I look forward to working closely with our students, parents, and staff as we continue to build on the strong foundations already in place. Thank you for your trust, your partnership, and your continued support. Together, I am confident that we will continue to enhance the student experience and make Zenith International School an even better place for every child to learn, grow, and succeed.

Message from Head of Secondary

MUHAMMAD FITRI BIN ABDUL MUTALIB

Dear Zenith Community,

As the school year comes to a close, we would like to share some of the highlights that made the end of this academic year so memorable. Our students enjoyed a fun-filled excursion, worked hard during their final examinations, and created many wonderful memories along the way.

Secondary Excursion – Lost World of Tambun, Perak

One of the highlights of the term was our 2 Days 1 Night Secondary Excursion to Lost World of Tambun, Perak. It was a fantastic opportunity for students to step outside the classroom, enjoy new experiences, and spend quality time with their friends and teachers.

From exciting rides and fun-filled activities to shared meals and countless laughter, the trip was filled with unforgettable memories. Beyond the fun, students also strengthened friendships, built confidence, and learned the importance of teamwork and responsibility. It was truly an experience that many will cherish for years to come.

Term 3 Examination

The Term 3 Examination marked the final assessment of the academic year. Our students worked hard in preparation, showing determination and resilience as they completed their final examinations.

We are especially pleased to see many students making encouraging progress and showing improvement in their results. Every step forward is worth celebrating, and we hope they will continue to carry this positive momentum into the new academic year.

Wishing You a Wonderful Holiday.

As the school year comes to an end, we would like to thank all our students, parents, and teachers for making this year a meaningful and successful one. Your support, dedication, and commitment have made a real difference.

To all our students, enjoy your well-deserved holiday! Take this time to rest, recharge, create new memories with your family, and come back refreshed for another exciting year of learning. We can't wait to welcome you back in the next academic year. Until then, stay safe, have a fantastic holiday, and we'll see you soon!

Warm regards,
Head of Secondary
Zenith International School

Message from Head of Primary

MS NOOR LEILAH

Dear Zenith Community,

The months of May and June were filled with meaningful learning experiences and valuable opportunities for our Primary students to grow both academically and personally.

Primary Excursion – KidZania Kuala Lumpur

On 30 June 2026, our Primary students enjoyed an exciting educational excursion to KidZania Kuala Lumpur. The trip provided a wonderful blend of hands-on learning, creativity, and fun-filled activities that allowed students to experience real-world roles and responsibilities beyond the classroom.

Through role-playing various careers, students developed important life skills such as teamwork, independence, problem-solving, communication, and decision-making. The excursion was both educational and memorable, giving students the opportunity to learn through experience while building confidence and curiosity about the world around them.

Parent-Teacher Meeting.(Term 3)

On 4 July 2026, Zenith International School held the 2025/2026 Term 3 Parent-Teacher Meeting, providing parents and guardians with the opportunity to collect their child's Student Progress Report/Report Card and meet with class and subject teachers.

The meeting served as an important platform for meaningful discussions on students' academic progress, strengths, and areas for growth. We sincerely appreciate the strong support and partnership of our parents in working together with the school to ensure the continued success and well-being of our students.

We are proud of our Primary students for their enthusiasm, growth, and positive participation throughout these meaningful experiences.

Warm regards,
Ms. Noor Leilah
Head of Primary
Zenith International School

Message from Head of Preschool

MS UMMA MAHESWARY

Dear Zenith Preschool Families,

As another exciting chapter comes to a close, we are delighted to share some of the wonderful highlights from May and June, celebrating our preschoolers' achievements, growth, and joyful experiences.

Our **Preschool Assessments** were successfully completed, and we are extremely proud of every child. They approached their assessments with confidence and enthusiasm, showcasing the knowledge, skills, and growth they have developed throughout the term. Every child deserves a big round of applause for their wonderful effort!

One of the highlights of the term was our **Preschool Graduation Ceremony**, which was a tremendous success. It was a heartwarming celebration of our children's achievements and a meaningful milestone as they prepared for the next stage of their educational journey. We extend our sincere gratitude to all our parents for their unwavering support and encouragement. Your partnership made this special occasion even more memorable. Our L1 and L2 children also captivated the audience with their delightful performances, filling the celebration with joy, confidence, and smiles.

To conclude the term, our young learners embarked on an exciting educational excursion to **Pusat Sains Negara and Muzium Bank Negara Malaysia**. The children explored interactive exhibits, discovered fascinating concepts, and experienced hands-on learning beyond the classroom. It was a day filled with curiosity, laughter, and meaningful discoveries that enriched their learning journey.

As we reflect on these wonderful moments, we are proud of every milestone our preschoolers have achieved. We look forward to another exciting term of learning, growth, and new adventures together!

Regards,
Ms. Umma
Head of Preschool
Zenith International School

The Zenith Experience: Nurturing Potential into Success

Written by our Student

I still remember the day I had enrolled into Zenith, it was 7th August 2014. I was a frail little kid, barely even spoke to anyone I was practically anti social! But Zenith had moulded me from the ground up into the person I am today, thanks to the teachers and staff of Zenith. As one of the few students who has been here since kindergarten to upper secondary I can confidently say that Zenith is the best pathway to help your children grow and reach for higher aspirations.

Although I might've not been a prodigy since childhood my results have shown themselves over time. Starting with my first straight As in my year 6 checkpoint to my consecutive As and my 50/50 for science in all of my year 9 achievement test exams alongside 4 IGCSES I had taken early. These achievements have really highlighted to me that talent is not necessary and with perfect guidance anyone can succeed!

Outside of my academic achievements I still have quite a few hobbies and topics, the most important of which is debate. Although I am still rather new to the competitive scene; I have proven to be an excellent speaker with lots of potential. I have also participated in other activities under the school such as being an : Emcee, a player in football MSSD, and even this newsletter i am writing right now.

To conclude, Zenith International School truly stands out in comparison with other schools due to its excellent hidden curriculum that does not just improve student's soft skills from a young age but also guides these children towards a higher likeliness of receiving better academic achievements.

**Year 10 Newton
Pravjit Singh**
